SWIMMING

Swimming will continue this week. The classes attending this term are Reception, Year 1, Year 2 and Year 4. Don't forget kits and please remember to ensure that all clothing is properly labeled with your children's names.

BREAKFAST CLUB

Please can we remind all parents that they must complete the signing in book for all children attending Breakfast Club. Children **SHOULD NOT** be dropped outside to enter Breakfast Club on their own. Thank you.

GIRLS COMPUTER CLUB

All girls welcome at the West End Women & Girls Centre every Monday 4-6pm to learn computer skills whilst having fun!

SCHOOL DINNERS

Please can we remind all parents that school dinner payments should be made promptly online at Parentpay.com. Non-payment of school dinners affects the school directly and your co-operation in this matter would be greatly appreciated. Thank you.

RESIDENTIAL INFORMATION SESSIONS

Year 6 parents are invited into school on Monday 30th January at 3.15pm for a session about the planned residential to London. Parents of Year 5 children are also invited to come in on Tuesday 31st January at 2.30pm for the final information session for Robinwood.

PARKING

Can we please remind parents that parking is **NOT** permitted in the school lane. Parents should not use the staff car park either. Staff need to gain access to school from 7.30am so we ask that all parents are respectful of this. We have an arrangement with traffic inspectors that parents can park in the surrounding permit only streets during normal pick up and drop off times.

COATS

As the weather is getting colder, please ensure that all children are sent to school with appropriate outdoor coats as the children do go outside if the weather is fine. Please ensure all coats are named.

WEEKLY REFLECTION

I listen to what you say. I show you that I am listening to you.
