Amazing Art

This term OSC will be showing off their artistic talents. We are going to paint, colour, print and mould our imaginations and see what magnificent creations with can come up with. Watch out Picasso.

Everyone is Welcome

In OSC we like to open our doors to other members of staff. They can call in for a visit and maybe an activity or two. I am really looking forward to having some new faces in OSC and trying new things.

Weird Science

 $\stackrel{\wedge}{\Longrightarrow}$

 $\stackrel{\wedge}{\Rightarrow}$

Out of School Club are putting on their lab coats and getting scientific. We will be taking part in crazy experiments and trials. Fingers crossed we don't cause an explosion.

Spring Term

Online and In School Homework Help

There will now be a more structured time for children who need help with homework or online activities. We can also listen to them read and assist with any spelling, timetables homework they may need.

Reading, writing and maths activities are encouraged all year round in addition to creative and outdoor activities. There will also be daily opportunities for children to be active.

Events/Celebrations

We will be spending some time looking into any events or celebrations that may be happening over the upcoming months, Valentines Day, Chinese New Year, Shrove Tuesday and of course the lead up to Easter

<u>Spring</u>

 $\stackrel{\wedge}{\Rightarrow}$

 $\stackrel{\cdot}{\cancel{\sim}}$

I know we are only saying goodbye to Christmas and all the festivities it brings, but spring will be here before we know it.

OSC will be on the hunt for spring and all the new life it brings. We might get some green fingers and see what we can grow.
