

NEWSLETTER

WELCOME BACK

We hope you all had a lovely Christmas break and have returned to school feeling refreshed and ready to work hard. This half term is 6 weeks and we break up on Friday 17th February for 1 week.

SWIMMING

Swimming will continue this week. The classes attending this term are Reception, Year 1, Year 2 and Year 4. Don't forget kits and please remember to ensure that all clothing is properly labeled with your children's names.

COATS

As the weather is getting colder, please ensure that all children are sent to school with appropriate outdoor coats as the children do go outside if the weather is fine. Please ensure all coats are named.

CLUBS

After School Clubs will resume **w/c 23/01/17** due to staff training this week. Letters will be sent home early in the week with details.

SCHOOL DINNERS

Please can we remind all parents that school dinner payments should be made promptly online at Parentpay.com. Non-payment of school dinners affects the school directly and your co-operation in this matter would be greatly appreciated. Thank you.

BREAKFAST CLUB

Our Breakfast Club is open daily from 7.45am. No pre-booking is necessary. Please use the hall doors off the yard for entry. Thank you.

WEEKLY REFLECTION

I know I belong in a community that includes my school.
