

Year 5

Autumn Term 2017

RE

Our first topic is 'Families' and in particular looking at ourselves. 'We are created in the image and likeness of God.'

We will then learn about the commitment required in friendships, looking closely at the Sacrament of Marriage.

History

Ancient Greece - To look at Greek life and the contrast between the Spartans and the Athenians

Music

We will learn musical skills through the Charanga music programme. We will have weekly singing lessons with Mr Miller.

ICT

We will be using the computer to research information and for word processing. We will look at presenting our work through PowerPoint and Book Creator.

How to help at home.....

Reading

Please support your child in their reading. A.R. (Accelerated Reader) After reading most reading scheme and library books, they will do a comprehension task to help their comprehension and enjoyment of books.

Handwriting

Please encourage your child to take care with handwriting and presentation.

English

We will look at the fiction books including Fair's Fair, Iron Man and

There's a girl in the boy's bathroom.

In non-fiction we will look at how to write recounts e.g. using adverbials of time, space and number.

Maths

Number

Place value and ordering numbers
Addition, subtraction, multiplication and division

Decimals, fractions and percentages

Measurement

Time and the 24 hour clock

Science

Earth and Space

Looking at the movement of the earth, other planets and the moon.

PE

Games skills including throwing and throwing leading into competitive games such as Benchball and Dodgeball

Spelling

Help your child learn their weekly spellings and give them practice tests.

Maths Help them practice number bonds and multiplication tables as they are essential skills for Year 5 Maths.

Support them with homework tasks on Abacus Active Learn
