| <b>Name</b><br>Claire Robson                                                                                                                                                                                                                                                     | <b>Date</b><br>17.11.2015                                                                                                                                                                                                                                      |
| <b>Focus of visit</b><br>To introduce myself as class governor                                                                                                                                                                                                                   | <b>Classes/staff visited</b><br>Year 2 with Miss Eagle                                                                                                                                                                                                         |
| <b>Summary of activities eg talking to staff and pupils, looking at resources, had lunch etc.</b><br>Miss Eagle was teaching the children about adjectives during her literacy lesson. The activity was with the whole class and the children were then split into small groups. |                                                                                                                                                                                                                                                                |
| <b>What have I learned as a result of my visit?</b><br><br>As I worked with a group of children, I realised that some of them are much better teachers than I am!                                                                                                                | <b>Positive comments about the visit</b><br><br>Miss Eagle made me very welcome as did the children who know me from when I used to help with swimming. I had a conversation about swimming with them and was pleased to see how confident they were about it. |
| <b>Aspects I would like clarified/questions that I have</b><br><br>As we were taking part in a reading activity in the small group work, I would like to ask if the groups were based on reading ability, literacy ability or mixed ability.                                     |                                                                                                                                                                                                                                                                |
| <b>Ideas for future visits</b><br>I could visit again when Miss Eagle is teaching another subject. I would also like to see the children at swimming as a few of them wanted me to come along!                                                                                   |                                                                                                                                                                                                                                                                |
| <b>Any other comments</b><br>Thank you to the staff and children for making me so welcome. I hope to see you again soon.<br><br><b>Signed _____ C Robson _____</b><br><br><b>(Governor)</b>                                                                                      |                                                                                                                                                                                                                                                                |
