

The new computerised library is now up and running well. All the fiction and picture books are catalogued and available to borrow. The non-fiction will be added later in the year. Hopefully after half-term you will be able to access the school library from a link on this page. You will be able to see the titles in stock, write reviews on the books you have read and read the reviews of others. In addition to this you will have access to the numerous e-books and resources on the site.

The newly appointed librarians are about to be trained in how to scan the books in and out, as well as how to keep the shelves tidy.

Keep your eyes on this page for further information about the two authors who will be visiting our school in November.
